FEATURED RELEASE

Bankers

Investigating recent revelations which have shattered trust in the banking system, the series asks whether this new damage to our banks' reputations has had an impact perhaps greater than that of the financial crisis itself.

NEW PROGRAMMING

How We Made Our Millions

Gain a unique insight into the minds of successful and inspiring business people. Discussing their successes and failures, their strategies and techniques, discover what makes their business brains tick.

Horizon: Tomorrow's World

A dizzying journey into the world that science and technology are creating for us - welcome to the forefront of innovation. Meet the pioneers who are shaping the world of tomorrow.

Mend Me: Horizon Guide to Transplants

Organ transplant is one of the most exciting developments in the history of medicine. But it is a history of struggle, both for the patients and the doctors.

Archaeology: A Secret History

From the days of the Romans to the detailed scientific archaeology of today, humans have longed to make sense of buildings and objects that time has left behind. But striving to get to grips with the ancient world has always caused trouble.

Ice Age Giants

With unique access to spectacular excavations and state of the art forensic analysis, Ice Age Giants travels back to a land before time, unearthing ancient pieces of an elaborate jigsaw to reveal the Ice Age through the eyes of the animals that lived there.

Addicted to Pleasure

Two hundred years ago Britain's commercial exploitation of sugar, alcohol, opium and tobacco got the rest of the world hooked on pleasure. Addicted to Pleasure explores the rich and controversial past of these highly addictive commodities.
